## FILMING AND PHOTOGRAPHING IN AND ON THE PREMISES OF THE BERLIN WALL FOUNDATION

Thank you for your interest in the Berlin Wall Foundation. We are pleased to permit you and your team to film and/or photograph in and on our premises, as long as you agree and sign in compliance with the following regulations.

1. Please be considerate of the guided tours and visitors. Make sure that visitors are not unnecessarily interrupted by your work.
2. The production of photographs, graphic images, or other images is permitted only for personal, school and studies use and for press coverage. Other uses of depictions require previous written permission and may incur a fee. The use of images for commercial purposes or passing the material to a third party<sup>1</sup> is strictly prohibited.
3. Close-ups of particular exhibition objects and historical photographs are not permitted because of copy- and usage rights on behalf of third parties. Many of the shown objects are loans. The Berlin Wall Foundation is obligated to adhere the copyright agreements made with donors and lenders.
4. Please do not pull heavy cases (or any other heavy equipment) across the floors or grass of the premises. Scheduled larger superstructure requires special approval as well as passing over the memorial site with all kinds of vehicles.
5. The liability of the Berlin Wall Foundation is limited to gross fault and negligence.

We thank you in advance for your cooperation. For further questions, please contact the Press and Public Relations Department +49 (0)30 213 085 162.

Sincerely, on behalf of the Berlin Wall Memorial.
